Letter of Recommendation

May 25, 2021

Dear Mr. Devesh Prasad

I am writing this letter to recommend Mr. Devesh Prasad who participated in our internship from 20th January to 20th April 2021. As his supervisor, I can vouch for his work talent and professional ethics.

It has always been my belief that the true merit of a person's work ethic can be found when they are performing in an unpaid position. Mr. Devesh Prasad has proven himself truly devoted every task he was given rather than the pursuit of titles or stipend. He has always completed his work with the utmost diligence. He never missed any deadlines and has always been open to feedback. He proved that he was eager to learn, willing to lead projects and able to create.

As a subordinate or peer, he is easy to communicate with and has a good relationship with his fellow interns and superiors. He has added great value to his department throughout the tenure of the Internship.

If you need any more information about Mr. Devesh Prasad, feel free to contact me at raghav8167@gmail.com I will be happy to assist you.
